ED'S COMMENT

Disappointment *sadness or displeasure caused by the nonfulfillment of one's hopes or expectations.*

That's the dictionary definition, but being reminded what it means is no help in dealing with the emotion itself. Despite a record number of people having received their vaccinations, Freedom Day and the Covid restrictions being lifted on June 21st has been delayed, due to the impact of the latest variant. Data not dates, so the roadmap now has a diversion taking us on a round journey of another few weeks to enable as many of the eligible population to be vaccinated as possible. Most restrictions still remain in place.

If that wasn't enough of an emotional roller coaster, we might have to prepare ourselves for more massive and traditional disappointment. Traditional? We have learned over many years to cope with the specific disappointment of our national football team qualifying for international competitions and then failing at different points. We haven't won a major tournament since the World Cup of 1966. As for the European Cup, the best most recent 'success' was thirty years later in 1996, when England reached the semi-final. They didn't even have to qualify as they were the hosts, but lost to Germany on penalties – the famous time Gareth Southgate missed his spot-kick. Fate has given him a chance to make amends as manager. There's a man who knows how to cope with disappointment.

The lead up to these competitions is tremendous. Sales of flags shoot up, big ones for the house, small ones for the car. Sales of drink go up. An interesting fact is that the UK is the only country in the whole of Europe which saw sales of alcohol rise during Covid restrictions and the lockdown, with all other continental countries seeing their sales go down! Sales of national football shirts, pennants and banners go up too. All with the heightened anticipation of a good tournament, success and, dare to dream, final victory. The supermarkets win, sports shops win, Off Licenses and the pubs that are left win. Hopefully England will win too, but in case, here is a little Bugle guide to coping with, and getting over, disappointment, if, as history has proved, we need it.

1. *Face the truth of the situation*: Be honest, we haven't won anything since 1966, is this going to be any different? Maybe, it's just a good start!
2. *Allow yourself to mourn a lost dream*: Yes, it would have been brilliant, joyous, amazing, but like all dreams, they end and we wake up to the real world!
3. *Don't feel like a victim*: It wasn't your fault. You didn't play, you're not the manager, you shouted at the TV, but no-one listened!
4. *Check if your expectations were realistic*: Was this time going to be very different? Is our national team as good as or better than 1966?

However, at this moment let's stay optimistic and hopeful for a brilliant run.

If you want success and don't want to be disappointed, stick with our very own Bileston Rangers, a team that got through to a final, played so well and came so close to the ultimate victory in a major competition.

July's Advice Column

I've been saving up to have my kitchen redone, but I'm a bit worried about it. Last time I had any work done on the house, it took more than double the time I thought it would and ended up costing me a fortune. I'm looking for a different builder this time, but how will I know I can trust them?

Many of us will take advantage of the warmer weather to improve our homes, and it's important to make sure the job goes well. Here are some steps you should take when choosing a trader:

- **Find a Trading Standards 'approved trader'** - use the internet to search for one in your area or the Government's approved trader scheme [TrustMark](#).
- **Get references or recommendations** - ask people you know or ask the person you hire for examples of work they've carried out in the past. Try to avoid contractors who won't give references - it's a sign they could be dishonest.
- **Find out if they are a current member of a trade body** - trade bodies have codes of practice and can help resolve problems if things go wrong, so check your trader is a member. Ask who they're registered with and then check the trade body's website.
- **Only use certified traders for gas and electrics** - it's dangerous to use someone who doesn't know what they're doing. Check the [Gas Safe Register](#) for a list of traders and use a [registered electrician](#) who can certify their own work. When you're having a kitchen fitted, it's worth checking whether the person you've hired will be doing the electrical or gas work themselves. If not, check who they will be using and whether they're registered.
- **Get a written quote** - this is different to an estimate. A quote is legally binding and the builder can't change it without a good reason - for example, if you ask for extra work to be done. Try to compare quotes from a number of contractors to make sure you're getting a fair price.
- **Get a written contract** - this should cover exactly what you're paying for and everything you've agreed on, like timings, payments, who will pay for materials and subcontractors.
- **Think carefully about payment** - opt to pay in stages rather than upfront. Where possible, try to pay by card as this can afford you [extra safeguards if something goes wrong](#).
- **Keep copies of receipts** - also keep your written contract as evidence, as well as photos of any problems if they arise.

If you have a problem with a contractor, and you're not sure what to do or where to go, call the Citizens Advice consumer helpline 0808 223 1133. If you need advice or information contact Sudbury & District Citizens Advice. We are providing advice by telephone and email, Monday – Thursday, 10am – 1pm. Please phone 01787 321400 and leave a message and someone will call you back when available. We will attempt three times to call you back, so please expect a call from a withheld number. You can also telephone our advice line on Freephone 0808 278 7868 or 0800 144 88 48.

Bildeston Ladies Club

*Bildeston Ladies
are looking
forward*

At last I do have some news to tell you all.

I have been busy preparing for our meetings from September onwards and although we have just had the announcement of a pause to the ending of restrictions, I am sure that by then we will be able to proceed; fingers crossed.

In September we will restart with a social evening with food to share and including a small competition based on whatever you have been up to in lockdown and a game of Chocolate Bingo! Full details in next month's Bugle.

For October and November we will have talks on Turkish Christmas Customs and Mrs Pretty And The Ladies Of Ipswich.

The best news of all is that I have found a new caterer for our annual Christmas meal to be held in December. I will have menus ready for you to look at in September.

I hope I have whetted your appetite for our return and look forward to seeing you all soon

Meanwhile, take care.

SESAW NEWS

Delicious! A steaming, hot cuppa on a roasting hot day. As I buried my face in Tanya's mug to glean the last drops of her tea, I couldn't help earwiggling about some good news.

Mum was very pleased because the Barn Owl was ready to leave us. Lea will keep a watch on the welfare and supplement its food for as long as is necessary to ensure a smooth transition back to the bird's natural environment. Several birds of prey needed intensive feeding to rectify the harsh conditions they experienced due to the wet, cold Spring. One of them also had a fractured wing which was repaired by our vet, now all the raptors have been returned to the wild

If a run on the wild side appeals, there is just time to enlist in the Nayland 10K on Sunday 12th July. This fun, family event (not a race) for all levels, is well organised and raises lots of money for several local charities including SESA. Sign up at: www.nayland10k.co.uk

As we all adapt to the 'new normal' some of our volunteers have moved on, leaving us short of animal carers. If you can help and have a morning to spare each week, please leave a message on our answerphone or email with your details. Jobs include cleaning kennels, dog walking and feeding – which reminds me, it's time for dinner! Come on Mum, put the kettle on for another brew and don't forget to save some for me, Kenny (the Boss) Chihuahua. Hadleigh u3a

Restarting live activities in July – Come and join us!

We are all looking forward to the easing of restrictions and the relaunch of our regular activities. Our monthly speaker meetings will return to our usual venue at the URC in Market Place, Hadleigh on the afternoon of the second Monday of each month at 2.30 pm. During the covid period we have replaced these with a Zoom presentation at the same time every month.

Don't know about the u3a?

Maybe wondering how to re-engage with people after so long at home? If you are no longer in full-time employment and looking for something interesting to take you out of home and daytime television? And who isn't after the year we have just had? Then read on.

Our motto is Learn, Laugh and Live!

Here at Hadleigh u3a we have over 200 members and we are more keen than ever to welcome newcomers. Nationally there are well over 1,000 u3as with over 430,000 members. And almost half a million people can't be wrong! Founded in 1982, the u3a is a UK-wide collection of locally run groups that provide a wide range of opportunities to come together to learn for fun and enjoy exploring new ideas, skills and activities together. Apart from being friendly and relaxed it also provides the perfect antidote to the issue of loneliness for anyone who has been left feeling a bit bereft of human company over the past year. There are no age limits and no formal qualifications required or to be gained.

Membership here in Hadleigh is normally £15 for a year (but currently only £12 per year due to reduced activities in covid period) and for that you get a monthly open meeting with a professional speaker, with the emphasis on interesting and entertaining subjects, plus the opportunity of joining one of over twenty small special interest groups ranging across a wide variety of interests. Have a look at our website for more information – just google Hadleigh Suffolk u3a. We also organise theatre trips, days out to lots of places of interest and a Christmas lunch at Hintlesham Hall in December. All these are charged at cost and all the more enjoyable when shared with like-minded people. All members also receive a quarterly national magazine called Third Age Matters, full of interesting articles and what other u3a's are doing around the country.

To find out more do have a look at our website or contact me for an information pack. We look forward to hearing from you!

VOLUNTEERS NEEDED

At Home-Start Mid & West Suffolk, we believe that children and families deserve the best possible start in life, to have choices and chances to live the best lives they can.

We currently need volunteers to assist our Family Coordinator Charlotte at our Bildeston and Wattisham Family Groups, which are run for children aged 0 – 5 years old, and their parents/carers. The Bildeston group runs on Tuesdays in the Sports Pavilion from 10am to 12pm, and the Wattisham group runs on Thursdays in Wattisham Community Centre between 1pm and 3pm.

Activities are currently taking place outdoors, and include toys, games, bug hunts, nature walks, chalk rubbings, football, hide and seek, colouring and much more. This is a great opportunity to support young families in your community, meet new people and gain new skills.

In order to register as a group volunteer with us, you will be required to have a criminal records check, participate in a half-day on-line training session (the next one is on Friday 9th July) and complete a short on-line safeguarding course.

If you feel you would enjoy this role and would like to find out more, please contact Alison on 07936 913929 or email alison@homestartmidsuffolk.org.uk

Recipe of the Month

Courgette and Ricotta Tarts

with thanks to Alison

Ingredients

serves 2

- 2 large courgettes
- 2 tsp olive oil
- 4 filo pastry sheets
- 100g ricotta
- 50ml milk
- 1 large egg
- Finely grated zest of 1 lemon
- 3 tbsp parmesan style cheese finely grated

Method

1. Preheat oven to 180C, 160C fan, gas mark 4
2. Grease 2 x 10cm fluted tart tins with a little oil
3. Trim the filo sheets into 8 23cmx12cm rectangles then cover with a damp tea towel
4. Lightly brush the first filo sheet with oil and gently press into a tin, there will be overhang. Repeat with the remaining filo, using 4 rectangles per tin. Lay these 45 degree angles to each other so they don't fully overlap
5. Beat together the ricotta, milk, egg, lemon zest, cheese and some seasoning. Spoon into the prepared pastry cases
6. Slice the courgettes very thinly into strips and roll one strip into a tight spiral. Wrap another strip around the outside of this spiral, then keep going until your courgette flower is large enough to mostly fill the case. Gently sit it into the ricotta mixture.
7. Repeat with the remaining courgette to make another flower.
8. Brush the courgettes with a little oil
9. Cook the tarts for 30 mins or until golden brown and the ricotta mixture is set.
10. Cool in their tins for 5 mins before serving warm with new potatoes and a green salad

BILDESTON PARISH COUNCIL

Draft Minutes for virtual meeting held Wednesday 14th June 2021, 7.00pm, at the Pavilion, Sports Field, Consent Lane, Bildeston

Present: Cllr Alex Banks, Cllr Andrew Guttridge, Cllr Ashley Hubbard, Cllr Peter Hutchings, Cllr Sarah Leigh-Hunt, County Cllr/District Cllr Robert Lindsay, Cllr Richard Lester, Cllr Ray McCann, Cllr Virginia Tuck, Clerk – Angela Chapman

C146/21/22 Chairman's Welcome & Apologies: No apologies.

C147/21/22 Declaration of pecuniary and non-pecuniary

interests: Cllr Alex Banks – Bildeston Sports Field, Cllr Ashley Hubbard – Kings Pightle Nature Reserve; Cllr Richard Lester – Kings Pightle Nature Reserve, St Mary's PCC.

C148/21/22 Requests for dispensations in respect of pecuniary interests - None.

C149/21/22 Minutes of the meeting held 5 May 2021, amended under C135 from Vice Chair Richard Lester to Cllr Richard Lester, then approved and signed as a true record.

C150/21/22 Adjournments – meeting adjourned at 1903hrs

County & District Councillor Robert Lindsay: report sent and distributed. CC Robert Lindsay pleased to be re-elected along with 8 other Green councillors. SCC investing in more bus services, but this seems to be more in the towns rather than rural areas. BDC are mapping wildlife corridors/ habitat in the district and have a scheme for planting trees and plants to link up wildlife areas. They are also carrying out a tree cover survey.

20mph update – CC Robert Lindsay advised he met with Parish Councillors Andrew Guttridge, Ray McCann and a representative from SCC Highways, it was a positive meeting. Longer buffer 30mph zones at both ends of the village were suggested by SCC which was welcomed by Robert and the Parish Councillors. The design costs, which will implement the scheme, will cost £9,000, half of this cost will met by Robert, the Parish Council to fund the remaining £4,500 from CIL funds.

Council agreed and approved the spend of £4,500 to implement the design scheme. It was suggested flashing speed signs were used in the meantime, this route had been gone down before, however, there are no suitable sites for the signs.

Public Forum – Representatives from BNatural advised the festival will go ahead this year, celebrating the 10th anniversary of the event (brought forward from last year). The sports field has been booked if the Market Place cannot be used due to the pandemic, both sites may be utilised. It was reported all costs have increased, they have been unable to fundraise for the past 15 months. The festival costs approx. £11,000 to put on over the whole weekend. There was a picnic fundraiser in 2020 (between lockdowns) and 2 further fundraisers this summer, picnic and quiz. A donation from the Parish Council was requested for this year's festival. In 2019 the PC had settled invoices for the stage base and the road closure. Agreed to discuss later in the meeting and email BNatural the outcome.

C151/21/22 Planning Applications

Planning Appendix A – Items for comment by the Parish Council

DC/21/02405 - Land East Of Artiss Close And, Rotheram Road, Bildeston, Suffolk

Application for approval of reserved matters following outline application B/15/01433

Town and Country Planning Order 2015 - Appearance, Scale, Layout and (Discharge of Condition 20 - Landscaping details) for the erection of 48No dwellings (including 17 affordable dwellings).

Comments:

Bildeston Parish Council OBJECTS to the above application on the following grounds:

Housing Design

The proposed design of housing on the site is uniformly bland and uninteresting. There is nothing which echoes the architecture of the existing village or the materials traditional to the area. The houses give the impression of being larger or smaller versions of the same external design and so the overall impression is totally monotonous and characterless. Hence it exemplifies the worst in cost driven, mass-built housing which has no regard for local context.

Additionally, there is inadequate external storage for modern family living. None of the properties have garages. While garages are now seldom used for storing cars, they provide valuable storage for other things. The sheds proposed for each property are unlikely to be an adequate substitute, especially for larger family properties and therefore there is likely to be a proliferation of additional outbuildings after properties are built. It would be much preferable if adequate provision was made in the first place.

Surface Water Drainage

In our representations at previous stages of the planning process, we expressed serious concerns about surface water (and foul) drainage of the site and the potential to cause or aggravate flooding in the existing village. The representation for Suffolk County Council, as Lead Local Flood Authority, appears to show that these concerns were well founded and remain problematic to developing the site.

In particular, the risk of flooding to the existing village was addressed at outline stage though restricting outflow by limiting the size of the outfall pipe. Excess water was to be accommodated in an attenuation pond. The latest comments from SCC suggest that this strategy is fundamentally flawed. SCC indicates that the attenuation pond is expected to overtop during heavy rain and hence houses at the bottom of the site should not be built as proposed due to risk of flooding. The consequences are more serious and far reaching though. If there is uncontrolled discharge of water from the site through overtopping, then the flow of water into the brook is also uncontrolled. This then has serious downstream implications, including to properties which back onto the brook in Newberry Road, which have previously experienced flooding.

Pedestrian and Cycle Links to Village Centre

There remains no proposed direct pedestrian/cycle link to the village centre. This will encourage greater car use for short journeys and is totally counter to sustainability goals. Notwithstanding the outline permission granted, we would urge that a solution is now found to address this major shortcoming.

With this in mind, it is doubly disappointing to note that the developer is attempting to reduce the width of a new footway alongside Ipswich Road required by the outline permission and has omitted one section altogether. We are pleased that SCC is robustly resisting this in its representation, and we would hope that Babergh will be equally robust. We trust that Babergh will give proper consideration to these issues, all of which have serious long term consequences for our community.

QUIET LANES PUBLIC MEETING

Monday, 12 July, 7.00pm at Bildeston Sports Field Pavilion
during the public session at the start of the Parish Council meeting.

The Quiet Lanes project promoted by Suffolk County Council requires Bildeston Parish Council to hold a public meeting before it makes a final decision on whether to go ahead with designating Consent Lane and Church Road as Quiet Lanes.

Quiet Lane designation is primarily aimed at visitors to the village, for example, people driving to events at the Sports Field or delivery drivers, rather than Bildeston residents who are familiar with the local lanes.

The Highway Code states that when you see a Quiet Lane sign 'You should drive slowly and carefully and be prepared to stop to allow people extra time to make space for you to pass them in safety'. For more information see www.quietlanessuffolk.co.uk.

Whether you are for or against Quiet Lanes we need you to tell us so the Parish Council can make an informed final decision. We would particularly like to hear from regular users of Consent Lane and Church Road, even if you have previously expressed your views informally.

If you are reluctant to attend a public meeting, please take a few moments to drop a line to Angela Chapman, Bildeston Parish Clerk.

Email: clerk@bildeston.suffolk.gov.uk

Post: Ivy Cottage, 55 Wattisham Road, Bildeston, IP7 7EG.

BILDESTON PARISH COUNCIL VACANCY

The Parish Council is made up of nine elected or co-opted members who volunteer their time for the good of the community without receiving payment for their services. Their diverse backgrounds, skills and experience are a great asset to the parish.

Babergh District Council and Suffolk County Council form the other two tiers of local government that cover Bildeston. Details of their respective roles and responsibilities can be found in the Council services section of the website www.bildeston.org.uk Parish Councillors are subject to re-election every four years unless there are the same number (or less) of Councillors to vacancies in which case those nominees will be co-opted on to the Council. All Members of the Parish Council are required to comply with a Code of Conduct in the performance of their duties. Thank you to all those who participated and came to our 'Climate Sunday service' in June. Our collection from this service went to Tearfund, helping those across the world who are directly affected by their changing climate. This is just part of our response to climate change as a church.

We have much to be thankful for the environment we live in here in Suffolk but there is still so much more we can do. As part of the Eco Church project for June and July we will be looking over how we can use our Church land more effectively; how we care for it and how we use it. As individual churches and as a benefice, we will be asking questions, such as, what can we use our churchyards for? Can we use them for our worship, our recreation or community events? How can we be more creative in the way we use our church land?

I will be contacting each of our parishes for discussion and comments, bringing them all together as a benefice and come up with some plans and ideas for the future. It is only by moving forward, involving our church and parish communities that we can help make a difference and show our love for God and our neighbour.

If you would like to be involved with this project in anyway please contact me on 01449 744120 or teresalester@gmail.com

Blessings,

Teresa Lester

Pastoral Letter – July 2021 from Revd Elke Cattermole

“I name you in the Name of the Father, Son and Holy” Matthew 28v19

Naming a person or anything can be an easy or difficult task to do. The decision to change our Benefice name incorporating all the parishes had to go through different processes before being agreed by our Diocesan Bishop, *‘Bishop Martin Seeley’*.

We name our children, pets, horses, and inanimate object such as our houses, boats, and other items important to us. The reason for the name given often has a special meaning for us, a family member or friend.

Through July a few of our churches will be celebrating what we call their ‘Patronal Festival’, a special church service that reminds us of why a specific church was named after a specific saint, ‘St Peter’ (Lindsey), ‘St Mary Magdalene’ (Bildeston), ‘St Margaret of Antioch’ (Whatfield), ‘St Mary’ (Nedging and Naughton).

All our churches were built many hundred of years ago and were dedicated to God. Later it became common practice to dedicate a Christian place of worship to one or more saint. So in the next few weeks we will be reflecting what was important why a specific church was called a specific name.

Patronal Church Festivals are a time for the churches to reflect on what is important for us and our local community. The church building is important as a place of worship, prayer and for *‘Baptism, Wedding and Funeral Services’*, a place I feel that was made by people, dedicated to God, but for the use of the people. Where joy for the future can be celebrated through baptism and weddings, a place for mourning and reflection as well as hope for the future at the time of death, loss and sadness.

These buildings are for today and the future to be used by the local communities they are situated in and for many who may visit it. They are also made up of people who pray for the people who are part of the different communities, those who live or visit the villages and those who are part of the church.

You are all welcome to our services and we pray as we start to open more fully in late July we can rejoice and share more things in our churches for the whole community. Please continue to share and celebrate with us in whatever form to the honour of God.

God Bless you all.

Revd Elke
