# ED'S COMMENTS

Congratulations to King Charles III and Queen Camilla. The Coronation was certainly an amazing spectacular, and I don't think there is any other country in the world that can put on such a fabulous ceremony and do pomp and circumstance to the high level that we do. And of course The King's Birthday Parade (Trooping the Colour) is fast approaching on Saturday 17th June. As a child, I grew up on the outskirts of London, so we were near enough for my father to take myself and younger brother on the tube each year to watch Trooping the Colour - one year we were lucky enough to win tickets in the ballot to watch from Horse Guards Parade. To this day I still feel emotional when I see the soldiers marching in perfect formation, and the mounted and marching bands playing such wonderful music.

For those that celebrated the Coronation in Chamberlin Hall, I understand that everyone had a great time even though the rain put a stop to celebrations taking place on the Sports Field.

On a different note, if you have a dog, please read the article on the following page from the Suffolk Constabulary regarding walking your dog around livestock.

Also, please remember that it is your responsibility to clean up your dog's mess and dispose of in a responsible manner. If you let your dog off the lead, then please ensure they don't wander into someone else's garden to relieve themselves. Bideston has a large population of our canine friends, and the majority of their owners are very responsible and clean up after their dogs. However, there are a few that are not so responsible that spoil it for others, especially when someone treads in the mess, and walks into their house without realising. Please do the right thing and clean up your dog's mess.

A handwritten signature in blue ink that reads "Diane". The signature is written in a cursive style with a long, sweeping underline.

## Police Connect

### Advice for dog walkers in the countryside.

Police are encouraging dog walkers to act responsibly whilst out with their dogs, particularly when around livestock.

If livestock are being worried by dogs it is a criminal offence. Dog owners have a responsibility to ensure that their animals are kept under control and whilst it is appreciated that the vast majority do so, there are a few that are still not getting the message.

Dog owners also need to recognise that a dog's actions reflect on the owner and a lack of control is neglect, and the consequences of neglect is a potential ban on keeping dogs/animals in future, and may result in the handler getting a criminal record.

**Sgt Brian Calver of the Rural and Wildlife Crime Team** said: *"It's the time of year in the countryside where cattle are turned out onto the pastures for the summer. Many of these fields have footpaths going through them. It's against the law to have a dairy bull in a field with a footpath but beef breeds are allowed, with cows.*

*"The greatest risk is from cows with calves. People must understand that their loving pooch is a natural predator in the eyes of livestock. When cows have very small calves, they'll sometimes leave them hidden against tree lines or in long grass. If this is not known and somebody is walking towards it, the risks are increased hugely, as the cows natural instinct is to protect it's young. All in all, common sense must prevail, with mutual consideration shown for those using the countryside for leisure and those that are trying to earn a living."*

In order to avoid these situations arising, police would urge the public to take extra care when out and about and always ensure your dog is secured on a lead whenever you're near livestock.

Stick to the path and keep your dog on a lead.

If the cattle are on the path, by all means deviate but consider ensuring you have an escape route.

If chased, let your dog go as that's generally what the cattle are after and the dog can run away a lot quicker than you.

Before entering the field, carry out a dynamic risk assessment and if in doubt, choose another route.

Farmers are advised to consider creating permissible rights of way during the time the cattle are in the field and ensure clear signage is put up. If some herds are known to be of greater risk, consider creating safe areas for the public to walk through with extra fencing.

# Trailer Rides

Once again James Buckle is offering residents of Bildeston the chance to join the annual tractor and trailer ride around his farm to explore wildlife, the environment and farming practices.

This year's ride will be on Monday 26th June leaving Bildeston Crown Car Park at 6pm.

As the ride will be on an open trailer any children must be age 8 years plus and accompanied by an adult. Please be advised that everyone rides at their own risk.

## *Learning and Growing Together*

### Victorians

This term, KS1 are learning about the Victorians and they learned about all the games that the children would have played at that time. The children enjoyed having a go at playing marbles, hopscotch and making their own puppet show.

### School Farm & Country Fair

Kingfisher class had an amazing time seeing lots of different things at the School Farm & Country Fair last month. From learning about crops and farming, how farriers make horseshoes, and having a go at how

far they could spread their own fertiliser!

They explored the livestock area and the composting area, learning about what items can be composted and what can't. Lots of baby animals including piglets, calves, and baby goats, even how sausages are made!

### Hola! Mexico

Kestrel class marked the beginning of their Hola Mexico! topic with a visit from Mexicolore. They had a wonderful time learning about the Maya and the Aztecs. They took part in activities including playing drums, dressing up and joining in a celebration procession.

### Sports Update

Our KS2 girls entered a tag rugby competition held at Inspire Suffolk. They had an amazing time and really got stuck into the game after a

tentative start! Well done girls!!

Some great results at the Cross-Country Event. The children competed well in very mucky conditions. Shout out to Charlie who came 13th in the year 4 boys' category and to Sophia and Isla who came 20th & 21st respectively in the Year 4 girls' category!

### Kings Coronation Celebrations

The children really enjoyed our afternoon tea and crown parade for the King's Coronation celebrations. Thank you to all parents for helping the children - everyone looked amazing! The KS1 children enjoyed writing speeches about what they would promise if they were King or Queen!

# Bildeston Ladies Club

This year's AGM was attended by more members than ever before - so a big thankyou from me for this show of support for our club.

Marion reported on our fund raising efforts over the year and the healthy state of our bank account. She did point out that physical act of banking has become quite an issue and in order to make her life easier she asks if members could try to bring the correct amount of cash to pay for club evenings whenever possible. The current committee remains in place for the next year with the addition of some extra helpers for publicity, event planning and the raffle.

We had a marvellous array of items for our Silent Auction - everything from plants, cakes, ornaments to beauty products - so there was something for everyone and with some competitive bidding a fun evening was had by all and £157 was raised for our charity.

Our next speaker will be Norma Howell who will tell us about the work of Medical Detection Dogs.

## SESAW NEWS

My mission, this month, is to find a home for two retired racing greyhounds that tower over me and have languished at SESA W for over a year.

Bodie and Mikey, aged five and four respectively could be separated but that would be a shame as they have always been together. They need an experienced home with no cats, two on-lead walks a day and a comfy sofa. If you have room in your heart and home for these beautiful creatures, please leave a phone message or email with your contact details.

By the way, we will be selling various items at a Boot Sale on the Football Ground in Long Melford, CO10 9JY, 2.30pm on 9th June. We will also have a stall and a Pets Corner at the Summer Fete on Leavenheath Village Green, CO6 4PY, 1pm of 17th June. Do pop in to say hello if you fancy a trip out.

More volunteers are still needed to look after the dogs, cats, rabbits and other small animals until the right persons comes along. If you would like to help or are looking for a new pet to complete your family, please visit our website or call in to see our many rescued animals. We are open 10am to 1pm, Thursday to Sunday and look forward to seeing you. You may even catch a glimpse of me, Kenny (the Boss) Chihuahua.

# Drama Group

Following the success of our recent panto, 'Treasure Island & The Silver Long Johns', thoughts are now turning to next year's production. If you would like to be involved in our next panto, we would love to hear from you! Rehearsals start in September, and the performance is put on at the end of January.

We meet on a Thursday in Chamberlin Hall, and sometimes at Corn Craft in Monks Eleigh, when the hall is not available.

We are looking for any budding actors – from age 9 and upwards - and behind the scenes helpers, from helping with props & costumes, to lighting & sound, prompting etc. Are there any aspiring directors out there? We would love to hear from anyone who fancies joining in our panto fun. We can guarantee you plenty of laughs – and I have to say, rehearsals are an excellent mood boost during those dark winter months!

The 'annual panto' has been a village tradition for decades in Chamberlin Hall. We are so blessed to have such a wonderful stage and facilities, and the shows have brought much fun and laughter to local people over the years.

It would be fantastic to get more people involved, so please don't be shy! If you would like to join us or wish to know more, please call Caroline on 0777 6085277

# Recipe of the Month

## It's asparagus season!

Poached asparagus:

A bunch of asparagus

A handful of rocket

A free range egg

Some parmesan

Oil and lemon

Remove the woody ends from the asparagus and put the whole bunch in a pan of gently boiling salted water. Cook until al dente, this should only take a couple of minutes or so. Heat a frying pan with a little oil next to your asparagus pan. Lift the asparagus out of the water and dry on some kitchen paper. Break an egg into the barely simmering leftover asparagus water. While the egg is poaching, cook the asparagus in the now smoking frying pan for a few seconds to give a slightly caramelised and charred flavour. Plate onto a little peppery rocket, shavings of parmesan, a drizzle of olive oil and a small squeeze of lemon, before topping with the poached egg.

SO simple, SO good!

Ian Fieldhouse from Orbit Housing, Richard Sykes-Popham, Popham Ltd gave a presentation for the development on land east of Artiss Close.

Orbit Housing Association purchased the land Oct 2022. The organisation manage approx. 48,000 in Norfolk, Suffolk and Cambridgeshire, all are affordable schemes, social rent and shared ownership.

The presentation made clear the scheme of sustainable, high standard houses could be changed to address any issues. Once Reserved Matters application agreed Orbit will apply suitable house types to local architectural styles with Babergh DC housing team. Housing mix will be put forward by Babergh unless the community/ Parish Council comment otherwise.

Orbit Housing advised it is taking the lead from the district housing officer at Babergh, with the emphasis on district need, not local need.

Orbit are receiving a grant from Homes England Strategic Partnership, a Government quango, towards the development. Leases will be 900 years on shared ownership, giving security of tenure.

Management of housing and roads will remain in Orbit ownership, apart from adopted roads. Orbit will manage, not third party.

If technical works go well, works could start next summer (2024), with ecology and archeology works later this summer (2023).

Orbit Housing and Popwood Ltd left the meeting.

Sue Andrews, local historian, who manages and has catalogued the Henry Morpew Archives gave report, attached to these minutes. Sue offered to prepare a Powerpoint presentation, in her own time, which the PC approved, and gave thanks to Sue for all her hard work on Henry's Archives. With regards the sorting of the boxes, Sue advised she is happy to store these for now at no. 18 Manor Rd, Bildeston. She considers she is holding on trust for village. PC need to make some formal agreement for future storage.

Brett Valley Benefice

Pastoral Letter – June 2023 from Revd Elke Cattermole

‘King Charles III Trooping of the Colour’

and ‘Father’s Day’

King Charles III will continue with the round of doing things for the first time since becoming King on the death of his late mother Her Majesty Queen Elizabeth II

This year King Charles will celebrate his official birthday on the day of the ‘Trooping of the Colour’ on 17 June 2023 at Horse Guards parade. It is a historical event and called the ‘*Sovereign's birthday parade*’ or also known as the ‘*King's Birthday Parade.*’

First performed during the reign of King Charles II (1660–1685), in 1748 it was decided that the parade of Trooping the Colour should mark the official birthday of the Sovereign. In 1760, after the accession of King George III, it became an annual event.

In 1892, the only member of the royal family to attend was Prince George, Duke of Cambridge, due to court mourning for the death of Prince Albert Victor, Duke of Clarence. Queen Victoria herself only attended Trooping the Colour once, in 1895, when it was held at Windsor Castle. Although some elements of the parade have remained constant, the ceremonial seen today was not fixed until 1889.

June is also a time when we annually remember our Fathers as we celebrate Father’s Day, this year on Sunday 18 June. Not a church celebration in the same way as ‘Mothering Sunday’ but the role of father is a significant role. Many fathers will have difficult relationships with their children for a number of reasons. Our King’s relationship with his youngest son has taken place in full glare of the public.

Whether any of our relations with our fathers have been good or bad there is one Father, God, who is above all fathers.

So all of you who can enjoy a time with your fathers and grandfathers this year and even have a chance to have a holiday with them, make it an exceptional time.

As God has shown us His love for us through His Son Jesus Christ let us share our lives with one another. Help us to make it more special to show a love in the way our ‘**Heavenly Father**’ would want us to.

God Bless you all.

Revd Elke
